About Culinera

Our aim is to be a long term partner of the school; so we strive to deliver exceptional food every day. We do this by ensuring our team have the tools and skill to cook fresh food, from scratch every single day.

Our food

All of our meals are freshly prepared within the school kitchen. Our menus are nutritionally analysed to ensure they meet and, in most cases, exceed standards. We are committed to constantly buying great ingredients and reviewing our menus and recipes to ensure they are healthy. We have also introduced a number of plant-based recipes to our menus to support the sustainability aspects of our offer.

Coming up

We have a range of exciting theme days each and every month, to create fun and do something a little bit different, keep an eye out on your ordering system to see what is coming up...
